

## ***“Very Important People (VIP)” Referral Form***

It is with great pride and gratitude that we can say the majority of our dancers at BAATJ have come to us through "word-of-mouth" referrals. Due in part to this, our program is now thriving with full classes every year! We truly appreciate these referrals as well as what it says about our program.

As a gesture of appreciation, we have implemented a referral program for current families attending BAATJ. This referral program will offer a DISCOUNTED/FREE of one month's tuition (off one class) for each person you refer! It will be credited to your account once at least one month has been purchased from your referral. There is no limit to the number of referrals you may get! Just think of the possibilities; if you organize your own "referral group," all of your lessons could possibly be FREE!

Please print clearly and complete the V.I.P Referral Form and bring into the school when your friend registers!!
