

Tuition is now due for the month of April. June tuition will be divided into two payments, and will be added onto the months of April and May. Please note that any dancers with an outstanding balance will be required to pay the remainder balance in full by the first of June. Failure to do so will dismiss the dancer from receiving the Performance Package and tickets for the annual performance.

BAATJ would like to say a big THANKS to all of the dancers and parents for making our Annual Photo Shoot a smooth success! We are looking forward to seeing the photos and we also would love to hear your feedback and experience of this event. Please ask your instructor for an instructions card to order pictures.
