**NOVEMBER'S GREEN FACTOR:
Conscious Eco-Friendly thoughts will
go a long way this Thanksgiving!**

Reduce, Reuse, Recycle

To make your Thanksgiving celebration as eco-friendly as possible, start with the three Rs of conservation: Reduce, Reuse and Recycle.

Reduce the amount of waste you produce by buying only as much as you need and choosing products that come in packaging that can be recycled.

Carry reusable bags when you do your shopping, and use cloth napkins that can be washed and used again.

Recycle paper, and all plastic, glass and aluminum containers. If you don't already have a compost bin, use your Thanksgiving fruit and vegetable trimmings to start one. The compost will enrich the soil in your garden next spring.

Sick Policy: "Tis the season to get sick..."

Please do not bring your dancer to class if he/she is sick or not feeling well or has missed school that day for being ill.

Thank you very much for your understanding!

Appropriate dance attire is required and mandatory in all classes to ensure your dancer is being properly critiqued in his/her technique. Our dress code policy is listed on our website under the "About" tab.
